Well, it looks like the list serve is working! Thank you Dr. Starrett!

Thank you all for coming to the meeting last night. I hope that we all have fewer questions than before.

Next meeting--This Friday at 4:00PM in Seaton. Carrie is looking into getting our pictures taken that day. Carrie, let us know if we need to wear nice clothes on Friday.

Saturday's Schedule is up in the air. I called the Union today to see if we could reserve the Main Ballroom and.... Engineering Scholarship day already has it reserved!! So, the option in the atrium really needs to work out. I spoke with Maureen and she said we should contact Penny and Linda in the Dean's office about the atrium idea. Penny and Linda arranged a banquet in the atrium for Dean King when he first arrived.

Pictures-- Roger and Jim are willing to take the picture on Saturday provided they get the negatives. They will then make copies in Tenn. and send the picture out with the minutes. The minutes of the convention are sent out to all attendees a week or so after the convention. What do you all say?!

Transportation-- We really need school buses on Saturday!! Let us know what you find out.

Tours-- Dean King recommended Konza Prairie tours on Thursday for those interested. I thought that sounded great since the west coast people will be coming on Wednesday. Dean King also said he would help in contacting the Biology Department, etc. to set up the tours. What do you all think?

Table Decorations-- We can bring in our own! I am not so sure if that is good or bad. The Holidome has volunteered decorations for the banquet. So... Roger decided that Thursday supper is Chicken apple almond (I think), Friday lunch Lasagna, Friday supper Turkey, Sat banquet the infamous top sirloin! Does anyone have ideas for decorations that may or may not reflect the food choice? The hotel can also supply colored linens that could go with the decorations. And yes, we will have cloth napkins for the banquet for all the Tau Betas who already attended a convention!

Wow, I sure typed a lot. Have a great week!
Heather
